WRA Named ENR MidAtlantic Design Firm of the Year

(Baltimore, MD) Whitman, Requardt and Associates, LLP (WRA) has been selected by ENR MidAtlantic as its 2016 Design Firm of the Year. The 83 firms that participated in the revenue-based ranking reported a total of \$4.04 billion of work performed and billed in the region, which includes Delaware, Pennsylvania, Maryland, Virginia, Washington, D.C. and West Virginia. Top-ranking firms are featured in the June 20th issue of ENR MidAtlantic.

Last year, WRA celebrated the 100th anniversary of its founding. With a reputation for high standards, innovative thinking and client service, WRA has received recognition for multiple projects completed in recent years, including the 26th Street Emergency Repair and Wall Reconstruction, the Montebello Plant 2 Finished Water Reservoir, the Ballenger-McKinney Enhanced Nutrient Removal Wastewater Treatment Plant Expansion, and the 20th CBRNE Command. WRA would like to extend a special thank you to our clients for the opportunity to work on their projects and to our employees for their commitment to architectural and engineering excellence.

WRA is an engineering, architectural, and planning firm that provides planning, design, and construction management services. With a professional and technical staff of over 650, the firm's services are focused on the needs of governmental, educational, institutional, and private sector clients throughout the country. Headquartered in Baltimore, MD, with offices in Delaware, Pennsylvania, Texas, and Virginia, WRA has been recognized as a Top 150 Design Firm, Top 200 Architectural Firm, and Top 200 Environmental Firm by *Engineering News-Record*.
